

7. Public Comment Forms:

a) Summary of Public Comments Received

This comment form is part of the public record of the actions of the Louisiana Life and Environmental Science Committee, which was convened as part of the 2010 textbook adoption process. All public comment forms had to be submitted by September 13, 2010. The committee meeting at which oral comments were also offered was held on September 30 in Baton Rouge, LA.

See p. 4 for the listing of John W. Oller's name and his request to be given public speaking time. The names of other creationists who are associated with the Louisiana Family Forum are also listed.

*This document is made available by the Louisiana Coalition for Science, <http://lasciencecoalition.org>.
